WHAT OUR FAMILIES SAY ABOUT NURSINGALE:

- ~Nursingale provides a level of care for our special needs child that we would not be able to provide ourselves.
- ~Not only are they highly skilled and capable, but able to respond quickly when the situation becomes acute.
- ~Having someone I know and trust to take care of my child and the fact that the nurses have medical expertise.
- ~They are sensitive to the needs of my child. They have good sensibility and intuition.
